

FALL 2020

## Letter from the President

Hello CDPI Community,

It is my honor and privilege to serve as the President of CDPI for the 2020-2021 fiscal year. We are in a year like no other and we plan to pivot appropriately as a board just as you have done for your work. While a challenging time, it is a time for us to grow professionally and assess how we can continue to support student success using ingenuity. This is why I am serving on the CDPI Board of Directors this year. I recognize our members are a talented and dedicated group of professionals and I hope my role will allow me to facilitate continued learning and idea sharing throughout the CDPI community.

To do this, we need to hear from you! Sally Saydshoev, our Member Services Director, has created a survey to gather your feedback, so we can deliver relevant programming. Tell us what we can do to help you succeed today. If you have found a method that works well, let us know if you want to share it with the community! We want to highlight your skills and creativity to help Indiana students find success.

Our first event of this fiscal year is coming up very soon! We are hosting the **“Virtual CDPI October Town Hall: COVID-19 & The Impact on the Hoosier Career, Internship, and Higher Ed Landscape”** on October 26. This town hall features a panel of professionals focused on trends occurring throughout the state of Indiana. I am personally excited to learn from them during this event.

**Town Hall Panelists:**

**Carol D'Amico, Executive Vice President, Learning & Policy, Strada Education Network**

**Brittany Collins, Postsecondary Outreach and Career Transitions Manager, Indiana Commission for Higher Education**

**Mike Slocum, Executive Director, Indiana INTERNnet**

Whether in-person or online, I look forward to seeing you at CDPI events throughout this year. Thank you for being part of our community!

Best regards,

Kristine Schuster
